Under Brother Eduardo's guidance, 17 Radio Club members attempted their license test, and all 17 passed! Other accomplishments and activities included attending four hamfests, in Hammond, Lafayette, Pensacola, and Baton Rouge; relocating the club station; contacting by radio scientists at the Texas Supercollider; increased Morse Code activity; and five new member stations.

Magic is an excellent hobby for anyone, according to Magic Club moderator, Brother Lee. It's fun to watch and a joy to perform well.

This year, forty-one SSC students had the opportunity to hone their magic skills at monthly meetings. Guest magicians attended some of the meetings and performed for the group, sharing some of their secrets. Also, the club has a wide assortment of books available to be checked out by members.

But interest is so high, it's not just limited to the meetings. Often, members get together with Brother Lee after school and on weekends.

At every meeting, members are encouraged to perform by a drawing that rewards one of the performers with a prize magic trick.

Special recognition for outstanding performance was given to club president Tim Kayes. Other officers were, Bobby Christenberry, vice president; and secretaries Beau Wegmann, Roy Shackelford, and Patrick Kimbrell.

Cheerleaders

What can be said about the 1992-93 SSC Cheerleading squad? They were hard workers? They were spirited, energetic, and lively? They were a close-knit group which stayed together through thick and thin? Well the answer is all of the above and much more. The Cheerleading squad held spirits high at pep rallies, at football and at basketball games. The girls on the squad from OLA were invaluable as public relations spokespeople in many areas, such as the reception for the Honors Convocation.

In almost every way it was an outstanding year for the squad as they filled their role with grace and enthusiasm.

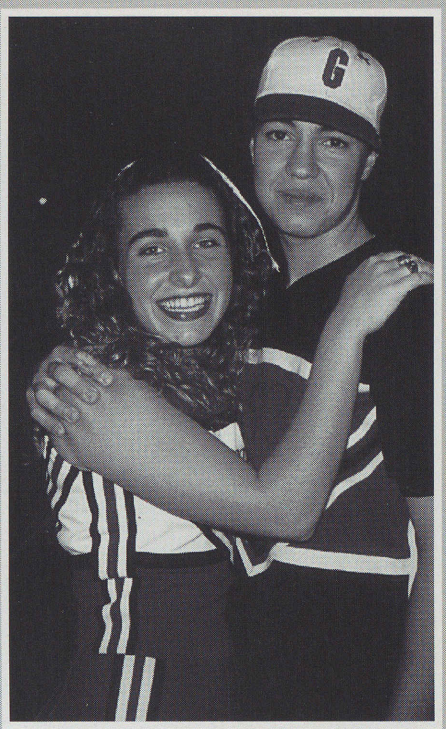

Many thanks to all of the members of the squad and also to Mrs. Mary Jo Barr and Brother Aquin whose help, guidance, and devotion were invaluable.

Another year has passed, another senior class has graduated, and another edition of ***Reflections*** is nearing completion.

As I reflect back upon thses past six years, many heartwarming memories come flooding back into my mind — memories of my classmates, memories of my friends, memories of the teachers who have influenced my life and the lives of countless others.

Memories also surface of the people who have made the publication of this yearbook possible, most notably Mr. Tom Ackerman whose devotion, skill, and expertise were truly invaluable. Other notably helpful individuals include Editors Lee McKee and Geoff Kohl, Raul Fuster, Mr. David Schommmer, Mr. Will Clingon, and Mrs. Ann Holder.

All that remains to say is, "Thank you all, and God Bless."
